

GLENDOWIE COLLEGE SPORTS PROGRAMME - Information Sheet for Parents

Welcome to Glendowie College Sport 2026

Glendowie College offers an exceptionally wide range of sporting opportunities.

Below you will find the list of competitive sports currently offered, the dates and approximate costs involved. Social sports are also available during lunchtimes and after school.

In order to run any sports programs, we rely heavily on parental support in regards to transport, coaching and managing. Please contact us if you are able to help in any capacity.

Communication

Communication with students will be through daily notices and are available on the website, please ask your child to check. We also post announcements on GDCSport on Instagram and Glendowie College Sport on Facebook.

Year 9 Term 1 - is all about settling into the College routine and so most junior sport starts in term 2, however, the following programs will be on offer to our juniors: cricket (girls and boys), school athletics day and school swimming sports. Pre season and trials for all winter sports will also be happening so it is vital that students check the daily notices.

Fees: Please refer to the table below for approximate costs.

- Regular season: The College expects full payment of the respective sports fees to be paid within the month following notification of selection to a team. If a player withdraws from a team after season commences an admin fee will still be applied.
- Events: one day events have a separate cost which is charged to the students involved.

Additional Costs:

- Taxi vans: If the College is unable to get adequate parental support in transporting students to sporting venues, taxi van charges **may** be incurred and added to student's accounts.
- Uniforms: The College supplies playing uniforms for some of our sports teams. In the event that a particular uniform item has been lost, damaged or not returned, a charge for a replacement will be incurred.
- Tournament Teams: Top teams or teams that qualify may have the opportunity to attend tournaments during Summer Tournament week or Winter Tournament week, charges for these are separate from regular season costs and associated fees are to be paid prior to the event.
